October 2013

Diving Results – XML – Detailed Explanation

The XML file is designed to share event and competition results between FINA and solution providers. A standardized template will allow for seamless exchange of information.

Legend:

Italics : explanations. Information in italics should not be included in the XML file.

BOLD GREEN: Required Data provided by the competition host

BOLD RED: Optional information provided by the competition host

BOLD BLUE: Data Definitions. Should be provided exactly as seen.

Comment:

XML file is not case sensitive.

XML file is not tab sensitive. Tabs are provided only for increased legibility.

XML file can contain additional information if desired (ex: Competition dates).

General:

The XML file is made up of 6 section

Header

Provider Identification

Event Information

Judges

Diver (repeated)

Dive (repeated)

Appendix “A” Event Legend

The event legend describes the event and is used to link video with the event.

Gender, Board, Synchro, Age Group, Phase

Gender: F, M

Board: 1,3,10 (10 refers to any platform event).

Synchro: include the word synchro or SYN if this is a synchro event. (ex: F3SYNOF).

Age Group: A,B,C,D,E,O (O refers to Open).

Phase: P (Prelims) S (Semis), SA (Semi-A), SB (Semi-B), F (Final).

Appendix “B” Judges Legend

Optionally list the names of the referee and assistant referee for the event.

Panel B judges are only required if the event has more than one panel.

Typically, we list the judge by last name, first name – Nation.

List all the judges 1..11.

Synchro judges are listed Execution 1, Execution 2, Synchronization

Appendix “C” Divers Legend

Each diver/team in the event is described in the diver section.

The divers section contains diver/team information and also includes one dive section for each round.

Not all diver information is required.

The diver section is repeated for each diver in the event.

The divers do not need to be listed in order.

Appendix “D” Dive Legend

The dive section describes all the dives in the diver list.

If a diver did not perform the dive, scores should default to zero.

All dive information is required.

The dive section is repeated once for each round.

Any questions can be directed to Michael Morris at mmorris@integratedsports.net
